

In addition to the general government policy of investment incentives, Danang city offers investors preferential land rent from 5,250 VND/m<sup>2</sup>/year to 10,500 VND/m<sup>2</sup>/year (investors do not pay VAT); infrastructure using fee of 4,200 VND/m<sup>2</sup>/year ; waste water treatment charges of from 4,200 to 6,300 VND/m<sup>3</sup>.

For special projects (such as that of large investment capital, or that with high rate of R&D or the project together with supporting industries), Danang People's Committee will consider to offer more special privileges.
